Document Title: Quickly Load Factory Labels on a Zebra Printer

Product(s): Any TIZ Printer

Procedure:

Labels

This document assumes **Zebra Setup Utilities (ZSU)** is already set up on your computer.

If not, **ZSU** is available for download [here](#).

Open **ZSU**, and click on the printer you want to load the labels on.

Then click **Open Communication With Printer**.

When this window appears, click **File – Open**.

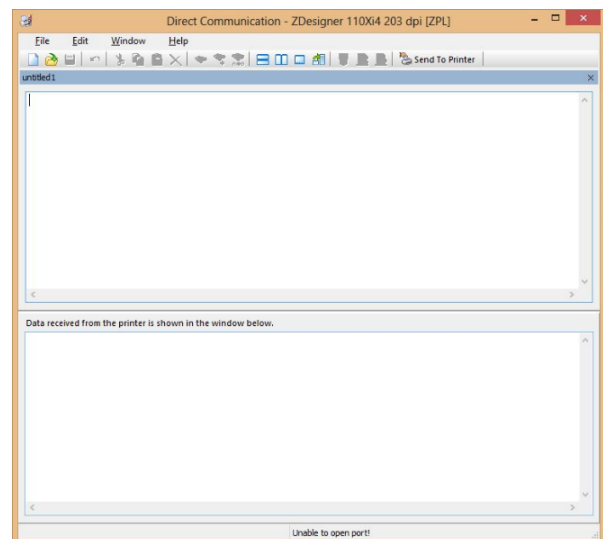

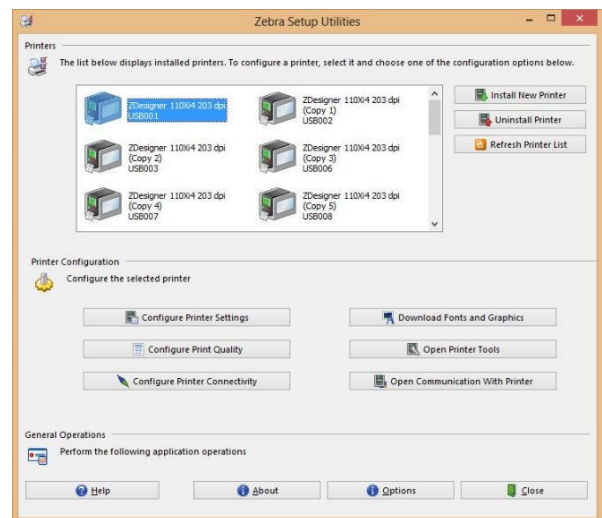

Depending on your printer's resolution, open either 200 DPI Stored labels 1 2 3.txt or 300 DPI Stored labels 1 2 3.txt

If you do not have these files, you can copy the codes from the following pages.

Click **Send To Printer**.

Exit out of **ZSU**. Test run label 1, 2, and 3.

Done.
