

# How To

## Service Documents from APPI

**Document: #HT000084**

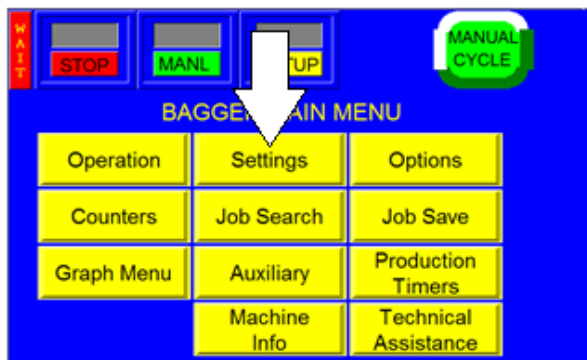

**Document Title: Adjust Fill Time**

**Product(s): T-300/375**

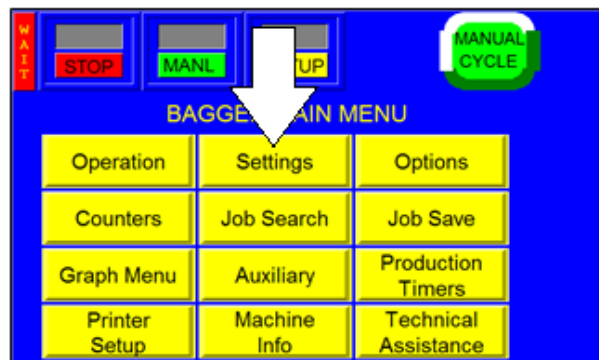

**Procedure:**

From the “Main Menu”, which will be different for the T-300 and T-375, select “Settings”.

*Note: If the Pass Code function is enabled, access to the Main Menu will require the input of the Pass Code.*

T-300 Main Menu

T-375 Main Menu

On the Bagger Settings screen, select “Fill Time”.

Enter the desired value on the numeric keypad, and then press ENT.
