

How To

Service Documents from APPI

Document: #HT000057

Document Title: Crate a T-1000 for Shipping

Product(s): T-1000

Procedure:

If it is necessary to crate a T-1000 Bagger for shipping, please follow these important steps.

Be sure to pack the Touch Screen in bubble wrap, and that it is boxed separately.

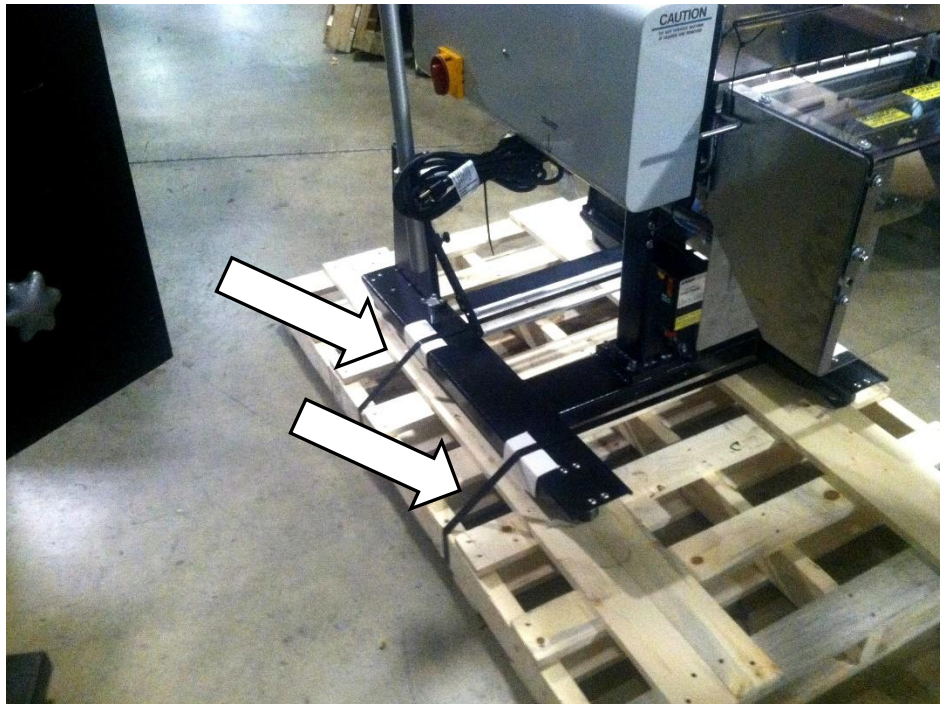

How To

Service Documents from APPI

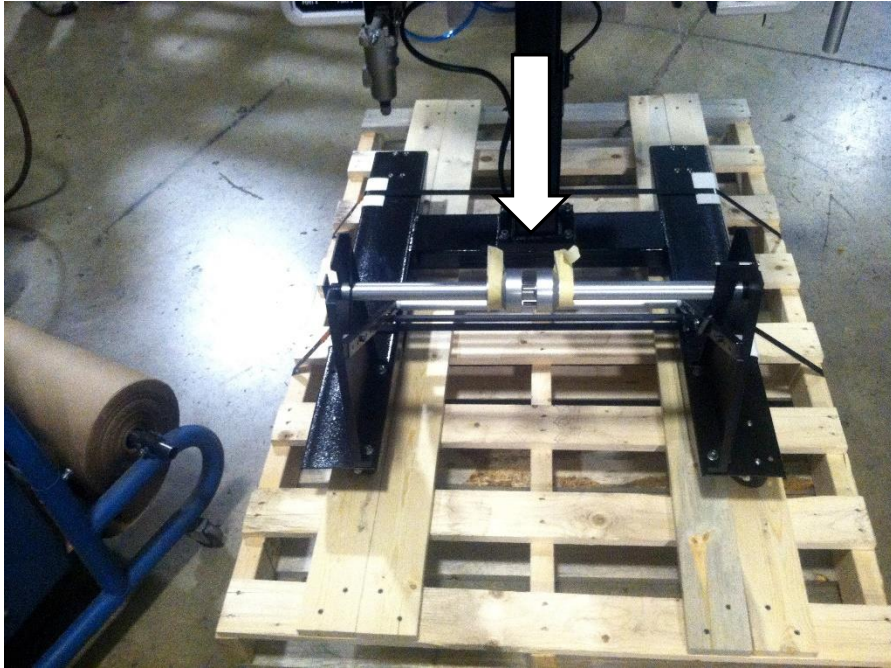

Securely Band T-1000 to skid

How To

Service Documents from APPI

Wrap Knobs on Chucks so that Knobs don't fall out in shipping.

Wire Tie Bag Roll Shaft so it does not come out during shipping

How To

Service Documents from APPI

Wire tie Jaw shut on Jaw Handle and Face Plate

Place Touch Screen Box between H Frame and secure it. Begin framing in the T-1000.

How To

Service Documents from APPI

Staple plastic on all sides and top of crate
